

REMARKS:

No new matter is added by the present amendment, which is necessitated by a notice of missing parts. Stricken references were to the details of the latching mechanism, which is well covered in the parent and other related applications.

If Examiner believes that a telephonic conference would facilitate the examination of this Application, or would resolve questions Examiner may have, please do not hesitate to call Applicant's Attorney at the contact information below.

Respectfully Submitted,

Date: December 29 , 2004

Geoffrey E. Dobbin
